

SCHOOLS & COLLEGES

Small practice. Stronger starts.

Practical skills for your staff. Career-readiness for adult learners. Explore a focused DailySkillAI pilot for your institution.

AROUND 5 MINUTES / BROWSER-BASED LEARNING

A little practice. A useful next step.

Support staff development and help adult learners prepare for everyday work and their next opportunity.

EXCEL

Make everyday work easier.

Practise formulas, lookups and realistic spreadsheet decisions.

COMMUNICATION

Find the words you need.

Hear useful phrases and practise conversations in language tracks.

INTERVIEWS

Prepare a clearer answer.

Explore role-specific questions and structured AI feedback.

Start small. Learn what works.

01 Share your goal 02 Agree a pilot 03 Review the experience

EXPLORE A PILOT FOR YOUR INSTITUTION

Scan. Explore. Get in touch.

Try live demos and tell us about your group.

Scope, duration, support and pricing agreed individually.

dailyskillai.ai/go/schools

For pupil groups, age eligibility, supervision and data arrangements must be reviewed before a pilot is agreed. Current terms exclude under-13s. Pilots use individual learner accounts; institutional dashboards, bulk enrolment and LMS integration are not included.
